ABOUT ME

I am a Second-year BSc Computer Science student at Thakur Shyamnarayan Degree College, with a strong interest in computer technology and programming. I am currently building my foundation in core computer science subjects such as programming, problem solving, and basic software development. I enjoy learning new technologies and applying logical thinking to solve real-world problems. I am a motivated learner with good communication skills and a positive attitude toward teamwork. I am eager to gain practical experience, improve my technical skills, and grow into a skilled computer science professional.

EDUCATION

2024 - 2025

Maharashtra Board

Higher Secondary Certificate (HSC) – Science (PCM + Computer Science)
[TNS COLLEGE of Science]

- Studied Physics, Chemistry, Mathematics, and Computer Science
- Gained strong analytical, mathematical, and computational skills
- Built interest in programming and technology through computer science coursework

2025 - 2028

Mumbai University

Bachelor of Science (BSc) – Computer Science
[Thakur Shyamnarayan Degree College]
Second Year | Pursuing

- Studying core subjects including Programming Fundamentals, Computer Systems, Mathematics, and Problem Solving
- Developing a strong foundation in software development and logical thinking

EXPERIENCE

Web Development

Successfully completed a 1-month Web Development Internship at CodSoft, where I gained hands-on experience in HTML, CSS, JavaScript, and responsive web design. During the internship, I developed real-world projects, improved my problem-solving skills, and learned industry-standard web development practices.
